Amnesty Day for hazardous chemical turn in will be Sept. 7

The turn in of hazardous chemicals, known as Amnesty Day, will be from 9 a.m.-2 p.m., Sept. 7. Personnel should turn in expired shelf-life, unneeded and unclaimed chemicals at the north side of Bldg. 4481. Items which should not be turned in include damaged, corroded or leaking containers; radioactive material; medical waste or materials; explosives; or household/personal waste.

Exchange Space Shop closed Mon. and Tues. for inventory. Reopen Wednesday

IEEE Computer Fair, Aug. 25-26, Von Braun Center
